

Who We Serve & Why

Primary

Primary Users

- University students and fresh graduates needing realistic interview preparation.
- Job seekers and career changers needing confidence, practice, and objective feedback.

LIFECYCLE ADVANTAGE

Holland RIASEC guides 9th–10th grade pathfinders before they choose academic streams or majors.

Institutional

Institutional Users

- Universities and colleges scaling career-readiness training.
- Training centers and bootcamps needing structured interview-prep tools.
- Career coaching organizations adding AI-supported practice and reporting.
- K-12 schools needing pathway guidance and diagnostics.

Enterprise

Enterprise Users

- Employers and recruiters improving candidate screening.
- HR departments evaluating readiness and preparing new hires.
- Companies adopting future workplace-performance simulation.

TARGET-COHORT VALIDATION

9th–10th pathfinders, university students, fresh graduates, job seekers, career changers, training centers, bootcamps, recruiters, and HR teams.
